

DESCANT *INDOOR/OUTDOOR ON-WALL SPEAKER or SHIELDED MONITOR / AV SPEAKER*

Madisound is pleased to introduce the Descant On-wall or Shielded Monitor speaker. We developed the TR-525 in response to a need for an on-wall speaker that would be functional, yet uncompromising in sound quality. We experimented with many different loudspeakers until we discovered a weather resistant polymer coated paper cone woofer, that gave us the vocal midrange clarity we were looking for, without sacrificing bass response. The TR-525's versatility allow it to be used for numerous applications.

The weatherproof cabinet with U-shaped mounting bracket and weather resistant loudspeakers allow the TR-525 to be mounted outdoors. Consider using them by the pool, patio or any other area you use for outdoor entertaining. The TR-525 is also suitable for commercial outdoor applications, in theme parks, gardens, etc.

Since the TR-525 is magnetically shielded, you may use it next to a computer or TV screen. Consider using it for your surround sound system or add an amplifier to your computer system and use it as a monitor.

The TR-525 can be used as a monitor speaker, either standing upright or on its side. The fully shielded speaker allows for placement next to your TV or computer monitor. The cabinets are available either all black or all white.

The TR-525 comes with a mounting bracket to allow wall or ceiling mounting. The Bracket can be rotating to direct the speaker to the correct listening location. You may mount the speaker vertically or horizontally.

Specifications:

- **Indoor / Outdoor**
- **Shielded magnets for use near computer monitor or TV screen**
- **Stand alone or wall/ceiling mount (mounting bracket included)**
- **5 1/4" Polymer sealed paper cone woofer**
- **3/4" Titanium dome tweeter**
